Vernacare are passionate about delivering sustainable Infection Prevention, Clinical Waste Management, and Surgical Solutions.

As pioneers of solutions for healthcare environments, we have a proven history of developing products that help to improve the lives of patients, residents, and healthcare professionals globally.

Safety and Dignity

We proudly protect the safety and dignity of patients and healthcare professionals who care for them.

Sustainable Manufacturing

We are reducing the environmental impact on the planet as we advance our legacy as pioneers in sustainable manufacturing.

Supply Chain Resilience

We commit to superior product quality and exceptional customer service through our UK manufacturing and supply chain resilience.

Key

Throughout this brochure we have used icons to illustrate specific product information.

-  Indicates the product's capacity
-  Indicates the case quantity
-  The product has measurement markings
-  The product is stackable
-  The product can be used with a lid
-  Assembly required

Human Waste Disposal

Single-Use Pulp
Vortex Air+ Macerator

Produced using water and recycled cellulose fibers, our wide range of single-use disposable ISO 13485 certified containers are designed to replace reusable plastic or stainless steel alternatives; delivering an environmentally friendly and cost-effective way of preventing cross infection.

Male Urinal Bottle (Round)

Encourages independent toileting, providing convenience, dignity and comfort to patients. Ergonomically shaped traditional design.

Case Quantity: 100
NPC Code: FWV068
Product Code: 102AA100

Male Urinal Bottle (Square)

Encourages independent toileting, providing convenience, dignity and comfort to patients. Square design stands upright if required.

Case Quantity: 120
NPC Code: FWV065
Product Code: 103AA120

VernaFem Female Urinal

Increased patient safety, dignity and comfort. Reduced CAUTI risks.

Case Quantity: 24
NPC Code: FWV182
Product Code: 108AA024

Specimen Collector

Ideal for collecting and measuring urine samples.

Case Quantity: 100
NPC Code: FSE174
Product Code: 113BA100

Bedpan Pro Liner

Ideal for general toileting of patients and can be used either in bed or in a commode chair.

Case Quantity: 75
NPC Code: FWV146
Product Code: 121AA075

Bedpan Pro Liner Disposable Support

To be used alongside the Bedpan Pro Liner with patients under 95kg/15st/210lbs.

Case Quantity: 50
NPC Code: FWV147
Product Code: 122AA050

Traditional Bedpan Liner

Traditional bedpan liner that is ideal for general toileting of patients and can be used either in bed or in a commode chair.

Case Quantity: 100
NPC Code: FSE151
Product Code: 101AA100

Commode Bedpan Liner

Ideal for general toileting of patients in a commode chair.

Case Quantity: 150
NPC Code: FWV148
Product Code: 123AA150

Midi Slipper Pan Liner

For general toileting of patients with limited mobility in bed. Wedge-shaped design slips underneath the patient without lifting or rolling.

Case Quantity: 100
NPC Code: FSE014
Product Code: 109AA100

Maxi Slipper Pan Liner

Ideal for general toileting of patients with limited mobility in bed. Wedge-shaped design slips underneath patient without lifting or rolling.

Case Quantity: 100
NPC Code: FSE015
Product Code: 114AA100

4L Detergent Proof Washbowl

Detergent-proof washbowl can hold warm water and soap for up to 2 hours (up to 45 degrees). Unique patented design and formulation.

Case Quantity: 160
NPC Code: FSL2230
Product Code: 118AA160

6L Detergent Proof Washbowl

Detergent-proof washbowl can hold warm water and soap for up to 2 hours (up to 45 degrees). Unique patented design and formulation.

Case Quantity: 40
NPC Code: FSL1573
Product Code: 117AA040

Small Bowl

General purpose bowl, ergonomically shaped with integrated graduations for measuring liquid. Can be used as a child's potty when used together with a plastic support. Not suitable for use with detergent.

Case Quantity: 200
NPC Code: FSL083
Product Code: 104AA200

Medium Bowl

General purpose bowl, ideal for handling larger volumes of liquid. Not suitable for use with detergent.

Case Quantity: 200
NPC Code: FSL119
Product Code: 111AA200

Large Bowl

General purpose bowl, ideal for handling larger volumes of liquid up to 3L. Not suitable for use with detergent.

Case Quantity: 100
NPC Code: FSL118
Product Code: 112AA100

Measuring Jug

General purpose measuring jug with ergonomic handle for improved grip and integrated graduations for measuring liquid.

Case Quantity: 100
NPC Code: FTL002
Product Code: 110AA100

CS Receiver

General purpose bowl, ideal for holding a variety of medical items including dressings, wipes or surgical instruments.

Case Quantity: 300
NPC Code: FSL240
Product Code: 106AA300

Kidney Dish

General purpose receptacle, ideal for holding a variety of medical items including dressings, wipes or surgical instruments.

Case Quantity: 260
NPC Code: FTA195
Product Code: 105AA260

Multi Cup

Ideal for taking urine/stool/sputum samples, dispensing tablets or as a measuring scoop.

Case Quantity: 200
NPC Code: FSX014
Product Code: 116AA200

VernaGel

To help ensure effective infection prevention control, Vernacare developed the body fluid spill kit range of VernaGel to quickly manage spillages:

- Saves laundry costs
- Reduces risk of cross infection
- Minimises residual odours
- 1 sachet solidifies up to 1.2L

VernaGel 7g Sachets

Super absorbent polymer which prevents spillages and leaks by solidifying liquids.

Case Quantity: 100
NPC Code: HFL8662
Product Code: 450SC100

VernaGel 4kg Loose Powder Bucket

Super absorbent polymer which prevents spillages and leaks by solidifying liquids.

Case Quantity: 1
NPC Code: HFL8663
Product Code: 456MA400

VernaGel 475g Loose Powder Shaker Bottle

Super absorbent polymer which prevents spillages and leaks by solidifying liquids.

Case Quantity: 1
NPC Code: HFL8664
Product Code: 456MA475

VORTEXAIR⁺

ECO-ADAPTIVE TECHNOLOGY™

Adaptive-Intelligent-Revolution

The Vortex Air + is Vernacare's latest flagship model within the established Vortex range—a disposal unit designed to hygienically break down single-use medical pulp products and their contents into a fine slurry, which is safely flushed to drain.

At the heart of the Vortex Air + is Vernacare's Eco-Adaptive Technology, a smart system that automatically adjusts the cycle based on load type and volume. This dynamic approach reduces unnecessary water and energy use while maintaining full disposal performance. Compared to traditional macerators, the Vortex Air + delivers *up to **44% annual water savings** and **16.5% energy reduction**, helping healthcare facilities meet sustainability goals without compromising infection control.

Additional Features & Benefits

Latest technology – including a deodoriser reservoir, Touchless Technology and SMART FLOW™ Technology

Smart sensors – for accurate and precise diagnostics ensuring optimal performance

Water efficient – Utilising only the water required to process each specific load

Eco-Adaptive Technology™ – Automatically, without user input, selecting an appropriate cycle to optimise the maceration process

Inflatable lid seal – prevents aerosolisation of potentially harmful pathogens

Display – provides full error description readouts and machine status

Multiple language options – available for international markets

Quiet operation – the quietest full-size macerator on the market at 62.0dBA

Accessories

Racking Solutions
Supports
Lids
VernaClean

Racking Solutions

We offer a range of wall-mounted racking solutions for efficient storage of our single-use containers and plastic supports.

Male Urinal (Round) Dispenser Rack

Wall-mounted rack removes containers from surfaces. Suitable for use with Male Urinal Bottles (102AA100).

Case Quantity: 1
NPC Code: FSE033
Product Code: 508ZS001

Male Urinal (Square) Dispenser Rack

Wall-mounted rack removes containers from surfaces. Suitable for use with Male Urinal Bottles (103AA120).

Case Quantity: 1
NPC Code: FSE034
Product Code: 509ZS001

Male Urinal Bottle Holder

Rack for storing an individual male urinal at the end of a patient's bed. Suitable for use with both sizes/ designs of Male Urinal Bottles (102AA100) and (103AA120).

Case Quantity: 1
NPC Code: FSE029
Product Code: 504ZS001

Female Urinal Dispenser Rack

Wall-mounted rack removes containers from surfaces. Suitable for use with VernaFem (108AA024).

Case Quantity: 1
NPC Code: FSE174
Product Code: 511ZS001

Large Pulp Dispenser Rack

Wall-mounted rack removes containers from surfaces. Suitable for use with Traditional Bedpan Liners (101AA100), Slipper Pan Liners (109AA100, 114AA100), Large Bowl (112AA100), 6L Detergent Proof Washbowl (117AA040), Bedpan Pro Liners (121AA075) and Bedpan Pro Liner Disposable Supports (122AA050).

Case Quantity: 1
NPC Code: FSE027
Product Code: 502ZS001

Bedpan Support Rack

Wall-mounted rack for storing up to five plastic bedpan supports.

Case Quantity: 1
NPC Code: FSE026
Product Code: 501ZS001

Bedpan Support Holder

Rack for storing individual plastic bedpan support underneath a patient's bed.

Case Quantity: 1
NPC Code: FSE028
Product Code: 503ZS001

Slipper Pan Support Rack

Wall-mounted rack for storing up to five plastic slipper pan supports.

Case Quantity: 1
NPC Code: FSE036
Product Code: 518ZS001

Washbowl Dispenser Rack

Wall-mounted rack removes containers from surfaces. Suitable for use with 4L Washbowl (118AA160).

Case Quantity: 1
NPC Code: FSE112
Product Code: 510ZS001

Small Bowl/Jug Dispenser Rack

Wall-mounted rack removes containers from surfaces. Suitable for use with Small Bowl (104AA200) or Measuring Jug (110AA100).

Case Quantity: 1
NPC Code: FSE030
Product Code: 505ZS001

Medium Bowl Dispenser Rack

Wall-mounted rack removes containers from surfaces. Suitable for use with Medium Bowl (111AA200) or Commode Pan (123AA150).

Case Quantity: 1
NPC Code: FSE035
Product Code: 515ZS001

Supports

We offer a range of easy-clean plastic supports for our in-bed toileting solutions. These supports help prevent products crushing and the associated spillage and discomfort.

Bedpan Liner Pro Plastic Support

To be used alongside the ergonomic bedpan liner (code 121AA075) with patients over 95kg/15st/210lbs.

Case Quantity: 1
NPC Code: FWV149
Product Code: 306ZP001

Midi Slipper Pan Liner Plastic Support

Plastic support for Midi Slipper Pan (109AA100), increasing strength for when used in bed).

Case Quantity: 1
NPC Code: FSE023
Product Code: 303ZP001

Maxi Slipper Pan Liner Plastic Support

Plastic support for Maxi Slipper Pan (114AA100), increasing strength for when used in bed.

Case Quantity: 1
NPC Code: FSE024
Product Code: 304ZP001

Traditional Bedpan Plastic Support

Plastic support for bedpan liner (101AA100), increasing strength for when used in bed.

Case Quantity: 1
NPC Code: FSE021
Product Code: 301ZP001

Small Bowl Plastic Support

Plastic support for small bowl (104AA200), increasing strength for when used as a child's potty.

Case Quantity: 1
NPC Code: FSE022
Product Code: 302ZP001

Small Bowl Lid

Use our range of covers and lids to reduce the risk of infections caused by spillages.

Case Quantity: 300
NPC Code: VMC008
Product Code: 198ZS300

Medium Bowl Lid

Lid to be used with our Medium Bowl (111AA200), reducing risk of infections caused by spillages.

Case Quantity: 100
NPC Code: VMC024
Product Code: 195ZS100

Multi Cup Lid

Lid to be used with our Multi Cup (116AA200), reducing risk of infections caused by spillages.

Case Quantity: 200
NPC Code: FSX002
Product Code: 193ZS200

Lids
We offer a range of macerator-friendly lids for a variety of our pulp products. These lids help to prevent spillage and maintain patient dignity.

Bedpan Liner Lid

Lid to be used with our Traditional Bedpan Liner (101AA100) and Commode Bedpan Liner (123AA150), reducing risk of infections caused by spillages.

Case Quantity: 100
NPC Code: VMC018
Product Code: 197ZS100

Bedpan Liner Pro Lid

Lid to be used with our Bedpan Pro Liner (121AA075), reducing risk of infections caused by spillages.

Case Quantity: 100
NPC Code: VMC85005
Product Code: 191ZS100

Maxi Washbowl Lid

Lid to be used with our 6L Maxi Washbowl (117AA040), reducing risk of infections caused by spillages.

Case Quantity: 100
NPC Code: VMC85002
Product Code: 199ZS100

4L Detergent Proof Washbowl Lid

Washbowl Lid designed to reduce spillages whilst carrying the contents.

Case Quantity: 100
NPC Code: VMC85000
Product Code: 190ZS100

Male Urinal Lid

Our Male Urinal Lid is suitable with all Vernacare male urinals. Helps to prevent spillages and to reduce the risk of cross infection.

Case Quantity: 192
NPC Code: VMC85001
Product Code: 125AA192

Midi Slipper Pan Lid

Lid to be used with our Midi Slipper Pan Liner (109AA100), reducing risk of infections caused by spillages.

Case Quantity: 100
NPC Code: VMC007
Product Code: 196ZS100

Maxi Slipper Pan Lid

Lid to be used with our Maxi Slipper Pan Liner (114AA100), reducing risk of infections caused by spillages.

Case Quantity: 100
NPC Code: VMC022
Product Code: 194ZS100

Bedpan Cover Bag

Designed to cover used bedpans, washbowls and other pulp receptacles to help prevent cross contamination and infection by covering human waste and preventing spillages.

Case Quantity: 2500
NPC Code: VMC85006
Product Code: 192ZS001

VernaClean 1L

VernaClean disinfectant is a concentrated deodorising liquid with antibacterial properties for use in macerators.

Case Quantity: 6
NPC Code: N/A
Product Code: 902SD1000

vernachair

The versatile 3-in-1 hygiene chair system

Commode | Shower Chair | Sani-chair

From the bedside to the privacy of the bathroom, the versatile 3-in-1 hygiene chair system is designed for safe and comfortable patient toileting and washing.

It's modern, smooth, seamless design reduces the harbouring of micro-organisms and ensures greater patient comfort. Compatible with disposable bedpans and commode pans, the chairs are integral to the Vernacare single-use system, used in over 94% of UK hospitals.

Developed in collaboration with clinicians from across the healthcare industry and Independently tested (compliant to BS 4751).

Case Quantity: 1
NPC Code: GTV85000
Product Code: 640ZA001

VernaChair Specification

Height	1081mm
Width	607mm
Depth	845mm
Width (between arms)	480mm
Seat height	570mm
Maximum patient weight	159kg/25st

Vernacare Technical Services

At Vernacare, we take pride in our best-in-class, UK-based technical services department, dedicated to delivering specialised support and expertise for maintaining, enhancing, and managing our macerators.

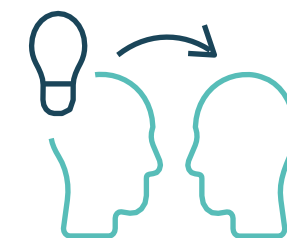

Our comprehensive services include:

Expert technical assistance

Technical training and support for technical teams

"Train the Trainer" programs

A robust 24/7 online training platform including troubleshooting videos and technical literature

Additionally, we collaborate with our distribution partners to demonstrate how technical audits can support the replacement of macerators.

Our technical services team continuously gather feedback from the market to drive improvements in future product development.
